ARTWORK GUIDES

Please ensure that all the elements used in your documents are supplied including imported EPS files, TIFF files and all fonts.

Please note: when supplying fonts ensure that both the screen font suitcase and each printer font is supplied, or make all fonts to outline.

All files should be single file CMYK. is preferable.

Create your artwork at 1.4 size we cannot work with files created smaller than this, however you may work at the same size or 1.2 size if using smaller sizes.
